

# Piedmont 20

# Progressive 23

Piedmont Progressive is a Nature children ages **3-7 years old** and fully toilet trained. It is a half day program from **9:00am until 12:30pm**. We spend most or all of our day outside in our natural environment. Our playground area is fenced in and shaded for most of the time the children are there. We have a creek area with water for the children to play and keep cool. Our indoor classroom space will also be used in extreme temperatures and for certain camp activities.

Based program offering camps for

## Under the Sea.....June 12-16<sup>th</sup>

Enjoy a week of fun splashing outside dreaming of ocean days with our favorite sea creatures. Find beautiful seashells in the sand and create colorful art with watercolors, shells, beads and things that sparkle. Our days will be filled with imaginative fun and water!

## Dino-mania!..... June 19-23

Who loves dinosaurs?! This week travel back in time 200 million years ago to the days of dinosaurs, Campers can use their imagination with dinosaur play, create fossils, erupt their very own volcanoes, make one of a kind dino art and more! Delve into the nature around us and find some of today's reptiles as well as dragon flies and many other summer bugs and creatures, Test dinosaur strength by climbing, running, swinging, in our natural play spaces, Rawr!

## Animal Care .....June 26-30

We will open up our veterinarian clinic and animal rescue center for our campers to care for (pretend) animals. They can wear a white coat and stethoscope or adopt/care for a guinea pig, dog or snake! There will be plenty of time for outdoor play for animals and all! Outside they can go on a critter hunt where they may find real garden friends that share our space.

## Storybook Pages .....July 3-7

Characters will jump off of the pages of our favorite story books with dress up, props and dramatic play both indoors and out. Each day we will have story time with special books. Creating unique magical art, their own books, lots of time playing in nature and our babbling brook and possibly finding a frog to kiss, will fill our days!

Silly Science..... July 10-14

Science is fun! Science can be art! Science is edible! Science can be gooey and silly! Science is everywhere! Our playground offers science experiences in entomology, herpetology and ecology, We will also do experiments that may bubble and fizz, freeze and squish. Some of our experiments will even be a delicious snack! Campers will spend most of their day exploring outside.

Woodland Fairies..... July 17-21

The fairies from the woods may come to visit. We invite them to stay as we transform our space with magic and enchantment during this whimsical summer camp. Art activities may include things such as nature wands, flower crowns, potion bottles and magic stones. There are wings to wear and water to play in!

Construction Zone,,,,,....., July 24-28

A week of building! Whether indoors or out , there will be endless opportunities and materials for building. There are roads to build, train tracks to lay, towers to build, cities to design with big blocks and small, blocks that click, blocks that snap, and materials that you may not think to use for build with. Campers can create 3 dimensional art with wood, paper, glue and wire, nails and hammers, clips and fasteners. The outdoor space has large blocks, boards, logs, tires and many natural moveable parts for creative outdoor building!

A Pirate's Life .....July 31-Aug 4

Ahoy Mate's! We are set to sail. Let your imagination go wild as children play outside on outdoor structures and water play areas with added props and fun art activities each day. Make treasure maps and dig for gold and treasure in the sand. Join us this week swashbuckling heroes and scalawags, it is all in good fun!

Children pack each day:

- Back pack
- Change of clothes
- Towel
- Healthy lunch
- water bottle
- Wear quick dry clothes and water shoes good for climbing and running
